This volume contains the proceedings of the 37th Annual Conference of the Marketing Educators’ Association (MEA) held in Portland, Oregon, April 18-20, 2013.

The conference theme, *Marketing Education: New Challenges and Opportunities*, reflects the association’s commitment to facing the challenges of new generations of students and ever-changing technology in continuing to provide the most effective marketing education possible. Embracing new learning styles, new technologies, and incorporating new methods in our classrooms transform these challenges into great opportunities. The topics discussed provide a vast and exciting array of methods designed with these challenges and opportunities in mind.
